Having problems... Singing in tune?  
Hitting the notes? Blowing out your voice?  
**I can help.**

From the teaching studio to the stage and/or the recording studio, I will work with you to make the best use of your voice. I'll help you build vocal range, flexibility, and power - and apply the technique to YOUR songs.

I'm an experienced working singer, vocal coach, and producer - not a little old lady who's going to try to convince you to sing opera or showtunes. I've coached singers doing Americana, country, alternative, hard rock, art rock, and jazz standards.

Hourly rate: \$40/hour

Group rates available for bands working on harmonies.
